Changes in timetable for EMELIE, from 2020-03-23 due to Corona virus

Due to the spread of Corona virus, Ressel Rederi is forced to shorten the timetable for the EMELIE-boat transfer. The Timetable will be adjusted for the commuters that still are traveling to and from work with us.

The change in timetable applies on Monday 2020-03-23 and last until further notice.

Information will be announced:

- Onboard and at traffic information at Jetty
- www.ressel.se
- Facebook @FartygetEMELIE
- Instagram @FartygetEMELIE

We care a lot about our visitors and we will further more work hard to keep a high level service for everyone, with strict cleaning procedures and pro active work onboard to reduce the infection risks.

Please follow and respect Folkhälsomyndighetens recommendations, stay at home if any sign or feelings of being sick.

We hope to get back to normal as soon as possible, until then we wish you all the best and to urge you to take care of yourself.

Best regards

Desirée Ressel von Schéele, CEO
